Annual reports on Insurance were prepared and published by the State Auditor for the years 1906, 1907 and 1908 and by the Insurance Department since that time.

## **RULES AND REGULATIONS**

---

### **1. AGENTS AND SOLICITORS**

Before transacting any insurance business, each and every person intending to do so must be licensed, for each and every company he wishes to represent.

Application for such license must be made by the company or their authorized representative on requisition blanks which are furnished by the Department.

**Individual License** permits only the holder to operate as an agent.

**Firm License** permits financially interested members of the firm, not exceeding four in number, whose names appear on the license to operate as agents.

**Corporation License** permits financially interested officers, not exceeding four in number, whose names appear on the license to operate as agents.

**Each and Every Solicitor** for an individual, firm or corporation must be licensed for each and every company for whom he will solicit business.

**Licenses** must be held by agents or solicitors subject to the inspection of the insuring public at all times.

**Transfers.** Licenses may be revoked by the company, and revoked licenses may be transferred to other agencies of the same company by application to the Department on regular requisition forms.

### **2. BROKERS AND BROKERAGE**

Brokers are not recognized in Montana. Anyone transacting insurance business must be licensed as an agent.

### **3. COMPETITION, LIFE INSURANCE**

Competition and comparison of benefits offered may be made until an application is signed and a settlement made of the first year's premium by the insured, then it must cease.

### **4. CONTRACTS**

Oral or written contracts which tie up the insurance in such a manner as to prevent the insured from placing his insurance where he wishes, will not be permitted.

### **5. DISCRIMINATION**

Acceptance of merchandise, wares or goods of any character whatsoever in payment of premiums on policies of insurance is forbidden.

### **6. HOSPITAL BENEFITS**

Railroad men entitled to maximum benefits allowed in the policy contract.

### **7. MERCANTILE AGENCIES**

### **9. REBATING**

Any payment to the insured of any kind by a company or agent that in any manner reduces the cost of his individual insurance as compared to that of others similarly situated, is prohibited.

**10. REFUND OF PREMIUMS, LIFE POLICIES**

Payment must be returned to applicant if for any reason policy is not delivered. Refusal to take medical examination does not relieve company.

**11. REPORTS AND RUMORS**

Companies and agents must refrain from circulating or spreading any reports or rumors calculated to reflect upon or injure the standing of any company or agent licensed by this Department.

**12. TWISTING**

Inducing a policyholder to lapse or surrender his present insurance and to take new insurance in another company to his financial or economic loss, is prohibited.

## **UNAUTHORIZED INSURANCE**

**By**

**JOHN J. HOLMES**

**State Auditor and Commissioner of Insurance**

**REASONS WHY INSURANCE BY COMPANIES LICENSED IN MONTANA IS PREFERABLE TO INSURANCE OF COMPANIES NOT LICENSED IN THE STATE.**

Non-admitted companies do not pay any fees and taxes into the State of Montana for doing business therein.

The Insurance Department of this State has no supervision over their operations.

The policies of the company are not reviewed in any way by the Insurance Department of the State of Montana.

Not being permitted to have agents in Montana, they have no facilities for the prompt adjustment of their claims, such adjustments are made through the mails.

This Department has no jurisdiction and could be of no assistance whatsoever to the insured in case a dispute arises over the settlement of a claim.

State courts cannot obtain jurisdiction over non-admitted companies as Service of Process cannot be made on these companies in the State of Montana.

Federal courts will not assume jurisdiction on a cause of action arising on the greater number of claims as the normal claim generally does not fall within the jurisdictional limits of the Federal court.

An insurance company duly licensed has duly licensed agents within the State.

**REMEMBER**—when buying insurance you get just what you pay for. Cheap policies are limited in scope and contract. Example: You do not get a \$1000.00 automobile for \$100.00. This holds good in all things.

## **CODE OF ETHICS**

### **NATIONAL ASSOCIATION OF INSURANCE AGENTS**

---

To promote the ethical conduct of the business of Insurance JOHN J. HOLMES, State Auditor and Commissioner of Insurance, has sought to bring the Code of Ethics of the National Association of Insurance Agents to the attention of all concerned with the business of Insurance.

The Code is as follows:

I believe in the insurance business and its future, and that the American agent is the instrumentality through which it reaches its highest point and attains its widest distribution.

I will do my part to uphold and upbuild the American Agency System which has developed insurance to its present fundamental place in the economic fabric of our nation, and to my fellow-members of the NATIONAL ASSOCIATION OF INSURANCE AGENTS, I pledge myself always to support right principles and oppose bad practices in the business.

I believe that these three have their distinct rights in our business: first, the Public; second, the Insurance Companies; and third, the Insurance Agents; and that the rights of the Public are paramount.

#### **TO THE PUBLIC**

I regard the insurance business as an honorable profession and realize that it affords me a distinct opportunity to serve society.

I will strive to render the full measure of service that should be expected from an intelligent, well-informed insurance man. Anything short of this would be a violation of the trust imposed in me.

I will thoroughly analyze the insurance needs of my clients and recommend the forms of indemnity best suited to these needs, faithfully advising as to the best insurance protection available.

I will do my part to help bring the public to a better understanding of insurance, always so conducting my business that the fullest light of publicity can be turned upon it.

I will consider it a duty to cooperate with the national, state, and local authorities in the prevention of fire, waste and accidents.

I will take an active part in recognized civic, charitable and philanthropic movements which contribute to the public good of my community.

#### **TO THE COMPANIES**

I will respect the authority vested in me to act in their behalf in serving the public, striving at all times to live up to the agreements made with my companies.

I will use care in the selection of risks, and do my utmost to merit the confidence of my companies by rendering them the fullest information attainable to enable them to underwrite their insurance intelligently; nor will I withhold any facts, that may come to my knowledge, detrimental to their interests.

I will expect my companies to give me the same fair treatment that I give to them, and will favor those companies that subscribe to the principles of the National Association of Insurance Agents and in the conduct of their business carry out these principles.

### TO FELLOW MEMBERS

I pledge myself to maintain friendly relations with other agencies in my community. I will compete with them on an honorable and fair basis, make no false statements, nor any misrepresentation by omission of facts, inference or subterfuge.

I will consider unethical, the obtaining of business by commercial bribery, coercion or unfair influence.

I will adhere to a strict observance of all insurance laws relative to the conduct of my business and will studiously avoid any practices which might cause the business adverse notoriety or disrepute.

I will cooperate in every reasonable way with my competitors for the betterment of the insurance business and its advancement to a still higher level of service.

\* \* \* \* \*

Realizing that only by unselfish service can the insurance business have the public confidence it merits, I will at all times seek to elevate the standards of the insurance profession by governing all my business and community relations in accordance with the provisions of this Code and by inspiring others to do likewise.

### NOTE

---

\*The differential between "net premiums received" and "net losses incurred" does not indicate net profit. The net premium indicates only the premium retained by the primary carrier and reported as such for taxable purposes. Reported losses do not include acquisition costs, agents' commissions, taxes, underwriting and adjustment costs and other business expenses, which must be considered in determining a profit or loss balance.
